

RANDOLPH

Commencement Week at High School
Opened with Baccalaureate Sermon.

The baccalaureate exercises were held at the high school on Sunday evening with a very large attendance. The class entered the hall to the music of the piano, played by Miss Carolyn Wright, and took their places in the seats which had been marked for them. A class song was sung and the scripture reading was given by Rev. E. H. Moore, after which he also offered prayer. Stunhope Brigham gave a violin solo, accompanied by his mother, Mrs. L. S. Brigham. Rev. Fraser Metzger followed with the address, which was taken largely from the text, "In the morning sow thy seed." It was a very earnest appeal to the class to improve the present hour. Near the close, as he addressed the class, he mentioned the fact that they had made him an honorary member of the class, for which he was grateful. Miss Lucile Grant gave a vocal solo at the close, accompanied by Miss Carolyn Wright, after which the march was played by Miss Wright, and the class marched out. This is the first of a series of exercises this week, which closes on Thursday night with graduation exercises, a program of which follows: Music; prayer, Rev. R. S. Tolman; music; salutatory, Mary J. Hall; class history, Ramona Holden; reading, "Memorial Day Address at Beaumont, France," Major Paul D. Moody, with "Our Dead Overseas," Edwin Markham, Frances R. Hartshorn; music; class oration, "To Provide for the Common Defense," Oscar Cooley; class gifts, Mildred Moberly, class president, composed by Ida J. Macomber, and sung by the class; reading, "Jena Duprez," Lorraine Walker; vocal solo, "Twilight," Miss Ethel Slack; class prophecy, Marjorie Morse; presentation of class gift to the school; Donald L. Cook, president of the class of 1920; responses, Leslie Morse, president of the class of 1921; music; valedictory, Charles M. Dixon; presentation of diplomas and certificates. The commencement ball will follow immediately after and exercises in the warehouse of Salisbury Bros. factory, with music by Stone's orchestra of Claremont, N. H. There are 36 members of the class, 11 in the English course, nine in the commercial course and nine in the teacher-training department, and one in the special commercial course. Certificates in shorthand have been given to Laura C. Douglas, Marjorie C. Morse, Arlene Rowe and Doris Stockwell; a certificate in shorthand to Oscar Cooley; a certificate in typewriting to Frances F. Franks.

WHITE RIVER JUNCTION

The annual pilgrimage of the Universalists of the Green Mountain association met today in the Hosca Ballou church at Barnard. Program: 10 a. m., devotional services; opening sermon, Rev. C. A. Simmons; business report on work of W. M. A. in North Carolina; Mary Grace Canfield, occasional sermon, Rev. Judson Marvin; communion service, Rev. George F. Fortier, state superintendent of the Universalist churches of Vermont; 1:15 p. m., praise service; address, Rev. C. R. Stetson; address, Rev. H. L. Thornton; address, Mrs. Rose Johanneke (Japan mission); music; address, Rev. George E. Fortier (The Murray Crusade); address, Rev. H. A. Parkhurst.

Myrtle Lloyd, No. 27, I. O. O. F., attended the West Lebanon Congregational church to hold their memorial service. Mr. Fine, a freshman from Dartmouth, gave the sermon. The sermon was spoken very highly by the members of the lodge. Mr. Fine not only gave a very able discourse but he delivered it in a masterly manner.

Dr. E. A. Barrows of Plymouth, Mass., was a recent caller in West Hartford. He was accompanied by his family and Miss Ella Robinson of West Lebanon.

J. B. Downs of Acuteville has bought the W. W. Munsell store of West Hartford and expects to take possession of the same at once.

The Forgive house on South Main street, West Lebanon, has recently been purchased by parties of Burlington, who are to take up their residence in their newly purchased home at once.

Last Friday evening a car driven by Lebanon people collided with a motorcycle driven by George Packard of West Lebanon in the covered bridge at Butmanville. The automobile struck the side of the motorcycle with such force that pieces were driven into Mr. Packard's leg, breaking the small bones and cutting an artery. He was hurried to the Mary Hitchcock hospital at Hanover and at first it was feared that blood poisoning might set in, but later reports are very encouraging and in due time Mr. Packard will be well again.

F. R. Graham was in Franklin the latter part of last week on a fishing trip.

Rev. H. L. Thornton was in Montpelier and Middlesex Monday.

Little Richard, the son of Mr. and Mrs. H. R. Miller, Jr., who was operated on at the Mary Hitchcock hospital last week, is fast recovering and will soon be able to leave the hospital.

Rev. H. L. Thornton, through the kindness of D. H. Pierce and Mr. Fred H. Perkins, who loaned their automobiles, took 13 of the boys of the Sunday school up to Woodstock Saturday to participate in the Windsor county Y. M. C. A. meet. The day was very rainy, but the lads seemed to have a good time. The minister and the boys wish to thank Mr. Pierce and Mrs. Perkins for their kindness.

The graduation exercises of the graded schools of the town of Hartford are to take place this week. The exercises at the Quebec school will be held on Thursday evening in the school hall, opening at 8 o'clock. The exercises of the school at Wilder will be held in the club rooms on Friday evening at 8 o'clock. The exercises of the Hartford school will not be held until Saturday evening in Watson hall at 8 o'clock. The exercises of the White River Junction grammar school will be held in the assembly hall of the high school at the usual hour, which is 8 p. m. The public is most cordially invited to be present at these exercises. Show your interest in the children and give the teachers a little courage and help by your presence at these public gatherings.

WATERBURY

Funeral of Mrs. Flora Graves Freeman
Was Held at the Center.

This afternoon at her late home at the Center was held the funeral of Mrs. Flora Graves Freeman, mother of the late Joseph Freeman. Ill only a short time she passed away early yesterday morning of pneumonia, following heart trouble. The community, relatives and friends everywhere mourn the loss of one who was always helpful and friendly to all. Flora Graves was born in Middlesex, 79 years ago last July, the daughter of Ransom and Cornelia (Scribner) Graves. Educated in the public schools, she taught school, but early married James Freeman. For him she had four children. Her second husband, Joseph Freeman, at the Center died a few years ago. She was very active in the Methodist Episcopal church of which she was a member and of the Woman's Relief corps. She is survived by three children, Ernest Cameron of Fayston, Mrs. Leah May, Jericho, and Mrs. Carolyn Webster of Springfield, Mass. There are five grandchildren. One brother, Charles C. Graves, vice and acting president of the Waterbury Savings Bank and Trust company, also survives.

Sunday afternoon the remains of Miss Julia Gould were brought from Burlington and interred in the family lot in the village cemetery. She was 36 years of age, was the daughter of Mr. and Mrs. Bartholomew Gould, who formerly lived near the four corners of Jericho field of Burlington, and one brother, Thomas Gould of Springfield, Mass., accompanied the remains. Another brother, William Gould of Chicago, was unable to attend because of illness.

NEWBURY

In the June number of The American we discover why one Newburyite loves his beautiful village. He "likes it because it's home," and goes on to say, "I live in Newbury, Vt., a village about one hundred and seventy miles northwest of Boston, on the banks of the Connecticut river. Ours is a comfortable village home; an acre of land on a high, tree-shaded hill, over a hundred years old, surrounded with maple and elm trees. I like to live where I live, because it's home. Mother, wife and children are there. Familiar hills, valleys and streams are there. It's home—and that's all there is to it. I feel sort of lonely with it, and my little ones of the Mississippi, when wandering over so much; but when I finish a trip I want to go straight to Elm-bark, which is the name we gave our home. Just now I am in Dixie; dry lakes, clear skies, mild climate, while letters from home tell me of snow even with the big, heavy, hoarfrost, and howling blizzards and zero weather, but I like the snow. In New York, where Charlie Towne delights to be, they have no room for snow, but in our village they roll it down in the roads and keep it as long as possible. We bank the snow with it, and my little girls go snowshoeing and skiing in it, and the cold is good for folks. Makes 'em tough and healthy. Sometimes we have fog from the river, which, some people say, causes throat trouble; but it also protects our squash vines from frost. I like the snow, and my little girls go snowshoeing and skiing in it, and the cold is good for folks. Makes 'em tough and healthy.
